

*(Note: This message was distributed via email on Mar 14, 2020.)*

We have decided to cancel the Spud Sunday luncheon due to notification of several families that will not be attending. The food has been donated to the Urbana Food Bank so there will not be a waste.

Worship services will be held at Bush Creek tomorrow. During the week of March 16 there will be further decisions made concerning worship services in coming weeks. Our facilities are thoroughly cleaned and additional disinfecting has been taking place for several weeks. Our prayers continue that this virus will soon diminish and less people will be affected by it in the very near future. In the meantime, every consideration is being given to the well-being of our congregation.

Blessings,, Beth Green, Board Chair
