**Prayer for a Pandemic**

May we who are merely inconvenienced remember those whose lives are at stake.

May we who have no risk factors remember those who are most vulnerable?

May we who have the luxury of working from home remember those who must choose between preserving their health or making their rent.

May we who can care for our children when their schools close, remember those who have no options at all.

May we who have to cancel our trips remember those that have no place to go.

And may we who are losing our money in the market remember those who have no money at all.

May we who must settle in for quarantine at home remember those who have no home.

During this time when we cannot physically wrap our arms around each other, let us yet find ways to be the loving embrace of God to our brothers and sisters.

Amen.
