

**Psalm 56:13 - For you have delivered my soul from death, yes, my feet from falling, that I may walk before God in the light of life.**

In this time of Easter season, when Christ was crucified and raised from the dead, we have to remember what Jesus' death and resurrection meant.

The grace of God in Him was the living water for all of us, giving unto us eternal life. Christ redeemed us and delivered us from the wrath which is to come. So that death would not have power over any of us. God's gracious promise has helped us from falling, as stated in scripture. Because it was put in Christ's hands, and the power given to Him through His death for the forgiveness of our sins, and raised for us to have that same Holy Spirit, which is the gift of walking in God's light. We need to walk according to the word and will of God, in all ways. As scripture says, that we may do the will of the Lord; and so, to please Him, as Enoch did in Hebrews. For us to walk in the light we must do what is acceptable in His sight, and walk in Christ's light by faith, so we can also have the light of life.

*Lord, may we see the true meaning of the Easter season, of that Christ represents, and to be obedient and follow Him through His death and resurrection. In Jesus Name. Amen.*
