**Subject:** MAD Disaster Response Benefit Dinner on April 4, 2020

Ladies and Gentlemen,

The CDC now recommends that all events and gatherings involving 50 or more people within the next 8 weeks be cancelled or postponed to reduce the risk of spreading the coronavirus. Therefore we are postponing our annual Benefit Dinner, scheduled for April 4 at Bush Creek COB, to a future date to be determined.

Please be safe in all that you do and keep those impacted by the coronavirus in your prayers.

Peace and blessings,

Jeff McKee

MAD Disaster Response Auction Committee Chairperson
